Razor sharp since 1910

Welcome to the Durham-Duplex safety knife catalogue designed to help the user identify the best knife for your application. Durham-Duplex have been making knives in Sheffield for over 100 years and know that a great blade is useless without a good handle. We seek to provide both and have divided the catalogue into the following sections:

- | | |
|-----------|--|
| Section 1 | OLFA safety knives and blades |
| Section 2 | Durham-Duplex safety hand knives |
| Section 3 | Durham-Duplex metal detectable hand knives |
| Section 4 | Durham Duplex hand knives |
| Section 5 | Replacement Utility blades |
| Section 6 | Disposal cases |
| Section 7 | Machine and Industrial knives |
