

ERGODECK[®] MAX

Modular Anti-Fatigue To-the-max!

It's A Game Changer

THE ULTIMATE CHAMPION!

We've taken our two leading edge products and created an unparalleled flooring solution! Gone are the days of having to choose between comfort and customization. Introducing a modular tile that takes flexibility, performance and safety to the max - **ErgoDeck® MAX**.

We joined together our innovative ErgoDeck® modular tiles and our proprietary Nitricell® premium sponge, to create a modular floor tile system that provides superior rebound for your Industrial Athletes.

Easy To Install

Large 18" x 18" (46cm x 46cm) tiles cover large areas quickly.

Flexible PVC Foundation

Provides structural ergonomic support and impact absorption.

Patented LockSafe® Interlock System

100% secure prevents tiles from separating yet zips apart for reconfiguration.

Nitricell® Premium Sponge Core

Formulated for crush resistance and unmatched performance. Absorbs repeated compression and bounces back to its original form, at a rate that can't be beat by any other sponge in the industry.

Universal Ramps

The 6" (15cm) wide safety ramps work on our entire line of ErgoDeck® tiles.

ErgoDeck® MAX carries our Limited-Lifetime Warranty.

Long Lasting Premium Nitricell® Sponge for Ergonomics

Patented, Durable ErgoDeck® Surface for Traction

● **Wall-To-Wall ErgoDeck®** - All styles of ErgoDeck® connect together. So go ahead, mix and match.

● **Value** - Easily replace single tiles or sections as needed. This keeps replacement costs down!

True performance comes from within, but it doesn't hurt to have a tough exterior, too.

Safety, productivity, morale are all important factors in manufacturing facilities, making ergonomics a high priority. **ErgoDeck® MAX** is the newest product family of the Wearwell ErgoDeck Line. It combines the best in anti-fatigue with the strength of ergonomic structure to make the ultimate product for just about any dry area in your facility!

Our greatest innovation to date, combining ErgoDeck with our premium Nitricell® sponge to create **ErgoDeck® MAX** offers structural support AND impact absorption for

healthier and more productive employees, even in multi-shift operations. **ErgoDeck® MAX** is best suited for dry environments, including manufacturing, transportation, automotive or fulfillment, anywhere workers stand on hard, cold, unforgiving concrete.

Whether it's assembly lines, CNC workstations or quality control inspection, **ErgoDeck® MAX** will outperform expectations to reduce safety incidents and absenteeism, resulting in improved morale and productivity.
