Reclaimed Hardwood Furniture

A beautiful range of reclaimed hardwood tables
handmade to add rustic style to any environment.

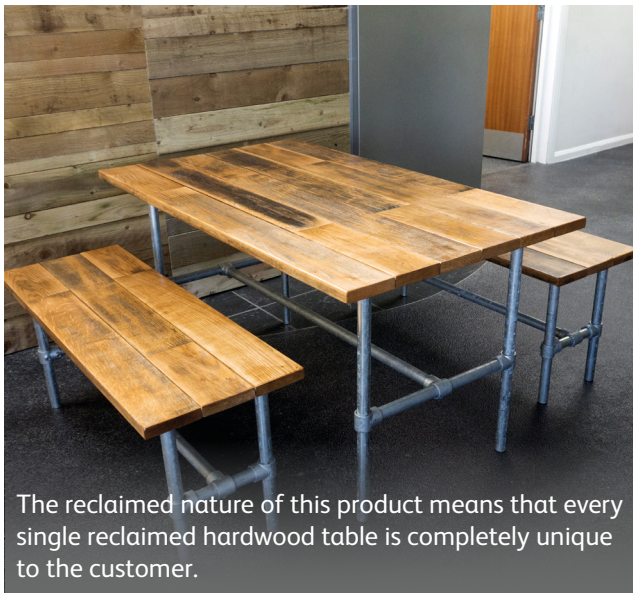

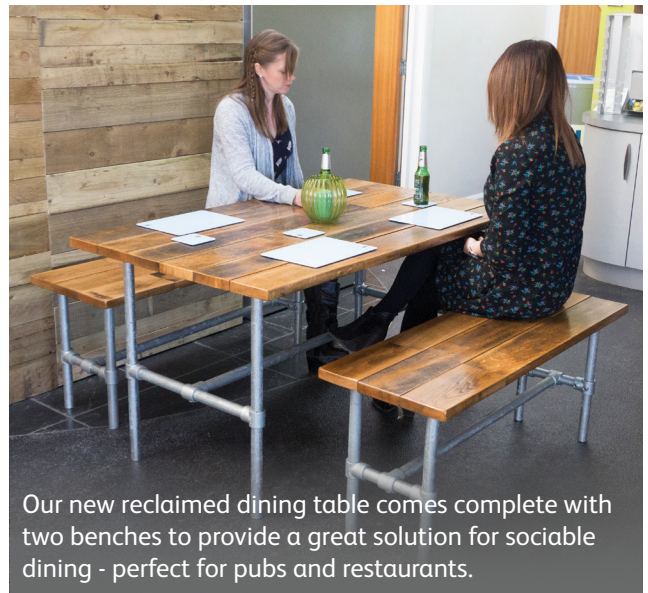

Our Reclaimed Poseur Table is handcrafted and comes ready assembled, with the legs fixed in place so you don't have to worry about putting it together.

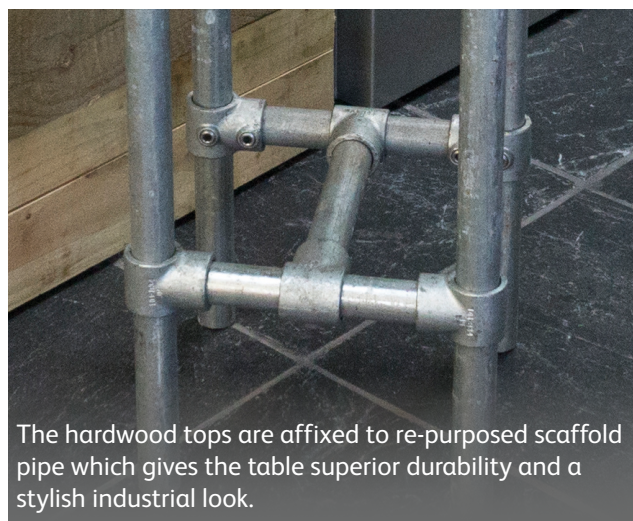

Each table top is manufactured from reclaimed hardwood, hand varnished with high quality Danish oil to give a smooth, wipe clean surface.

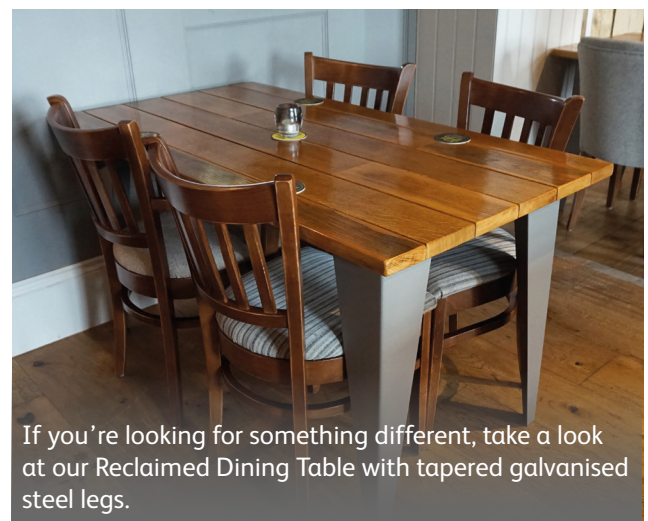

The reclaimed nature of this product means that every single reclaimed hardwood table is completely unique to the customer.

Our new reclaimed dining table comes complete with two benches to provide a great solution for sociable dining - perfect for pubs and restaurants.

The hardwood tops are affixed to re-purposed scaffold pipe which gives the table superior durability and a stylish industrial look.
